Andy Cohen : The Andy Cohen Diaries: A Deep Look at a Shallow Year before purchasing it in order to gage whether or not it would be worth my time, and all praised The Andy Cohen Diaries: A Deep Look at a Shallow Year:

8 of 8 people found the following review helpful. Not a Deep Look, but a Shallow Year. By Tammy DeeDee Andy Cohen's first book made me love him, but this actually proved to do the opposite. The title is correct. It is incredibly shallow. However, there was no "Deep Look". The only good parts of the book centered around his dog and his mom.

It is hard to hear someone of his status lamenting over trivial things occurring around him and other famous people. Save your money. 7 of 7 people found the following review helpful. B O R I N G !By PerryI love Andy Cohen; and love Watch What Happens Live-----but this is one of the singularly most boring books ever written! It's not funny, it's not entertaining, and it's not informative. It's just boring. He doesn't give enough details when he should. Further, his stories are bland and not funny. Sad that what should and could have been a fabulous book was merely mundane. I quit reading at 31 percent through. Sad. 26 of 28 people found the following review helpful. This book is a waste of money and timeBy avid readerThis book is a waste of money and time. Unless you want to know how much his dog poops, how much and where Andy eats (constantly), and where he's looking for love (?) don't bother.

A New York Times bestseller, The Andy Cohen Diaries chronicles a year in the whirlwind life of the beloved pop icon, in his own cheeky, candid, and irreverent wordsAs a TV Producer and host of the smash late night show Watch What Happens Live, Andy Cohen has a front row seat to an exciting world not many get to see. In this dishy, detailed diary of one year in his life, Andy goes out on the town, drops names, hosts a ton of shows, becomes codependent with Real Housewives, makes trouble, calls his mom, drops some more names, and, while searching for love, finds it with a dog. We learn everything from which celebrity peed in her WWHL dressing room to which Housewives are causing trouble and how. Nothing is off limits including dating. We see Andy at home and with close friends and family (including his beloved and unforgettable mom). Throughout, Andy tells us not only what goes down, but exactly what he thinks about it. Inspired by the diaries of another celebrity-obsessed Andy (Warhol), this honest, irreverent, and laugh-out-loud funny book is a one-of-a-kind account of the whos and whats of pop culture in the 21st century.

A remarkable book . . . It's an important text when it comes to understanding what it is to be a gay man today. TimeCable TV's dishiest guy at his dishy best. . . a glamorous, goofy look at 365 days of a charmed showbiz life. Kirkus[Cohen's] writing style is conversational and tight, infused with snarky and self-deprecating humor . . . He owns the name-dropping and navel-gazing, but has the honesty, wit and confidence to pull it off, striking a balance between being self-involved and self-aware. The Associated PressA wild, starry ride. Us WeeklyAfter reading this funny, intimate, candid, honest diary of a year in Andy's life, I couldn't help but wonder, 'Is Andy Cohen...Carrie Bradshaw?' Sarah Jessica ParkerThe funniest thing I've done all year is read Andy Cohen's Diaries. He has more genuinely funny and surprising encounters with celebrities and sublebrities in a day than I do all year. Then my name popped up. Now I just want to sue him. Anderson CooperI am not, nor have I ever been, engaged to Andy Cohen. But his book is really funny. Sean AveryAndy Cohen keeps the oddest hours of anyone in the building. he comes, he goes, he comes back (in the middle of the night.) Now, I finally found out where he's going. If you ask me, nobody should be allowed to have this much fun. Surfin Percy, Andy's DoormanAndy Cohen's diaries are the literary equivalent of a Fresca and tequila. Jimmy FallonAbout the AuthorAndy Cohen is the host and executive producer of Watch What Happens Live, Bravo's late night, interactive talk show. He also serves as executive producer of The Real Housewives franchise and hosts the network's highly rated reunion specials. He's won an Emmy and two Peabody Awards for his work, and he lives in New York City with his dog, Wacha.
