John Archer : The Archer method of winning at 21 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Archer method of winning at 21:

0 of 0 people found the following review helpful. The archer method of winning at 21By P. MartinThis book has blown away my concept of 21. I am now going to go on to explore the other methods available for counting, but first I am going to test this system it sounds so good. The charts are so detailed it makes everything so logical! One of my notes about a chart on the changing significance of point count is as follows: "the slope denotes magnification of deck depletion on point count relavance." wow!
