Frank Parisi, Daniel Erickson : The Art and Making of Star Wars: The Old Republic before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art and Making of Star Wars: The Old Republic:

Star Wars fans the world over are buzzing in anticipation of what promises to be a defining moment in the history of multiplayer online gaming: the release of Star Wars: The Old Republic. The game follows the escalating war between the Jedi and the Sith thousands of years before the events of the Star Wars films, and its innovative design allows players to choose sides and help shape the history of the galaxy. This gorgeous, full-color volume features the detailed art behind this highly anticipated release from BioWare and LucasArts. With character sketches, interviews, and artwork featuring the game's new weapons, starships, and previously unexplored worlds, The Art and Making of Star Wars: The Old Republic is the ultimate chronicle of the newest Star Wars experience.
