Marie Alonzo Snyder : The Art and Sensuality of Brazilian Zouk Dancing before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art and Sensuality of Brazilian Zouk Dancing:

1 of 1 people found the following review helpful. Awesome read!By forever_romanceGreat read, great information. Highly recommended!!!!0 of 0 people found the following review helpful. I am extremely pleased with my new aquisition- "The ArtBy AndreeaI am extremely pleased with my new aquisition- "The Art ...Zouk", as I am a passionate zouk dancer myself. Also ,thank you very much for the quick delivery.2 of 2 people found the following review helpful. A must have!By Stephanie GoodellIf you dance zouk, you will want this on your shelf! A landmark reference for students teachers that helps to clarify the detailed and elaborate history of zouk. Fully illustrated with beautiful photographs - a coffee table book you'll want to share with any who loves our favorite partner dance!

Marie Alonzo Snyder (modern dancer, choreographer, educator and scholar), presents a clear and helpful introduction and guide for anyone interested in learning about Zoukthe fast growing partner dancein her debut book, The Art and Sensuality of Brazilian Zouk Dancing. Marie (a professional dancer for over three decades) has been dancing Zouk for the past 5 years and recently brought this beautiful, sensual dance to the Big Island of Hawaii. I arrived in Kona, Hawaii on November 17, 2014 leaving behind a life of over 33 years on the East Coast. Like many others, I was called to this beautiful island, says Marie. By the second week of my arrival, I began filling the island with Zouk. What began with one eager, Zouk goddess in training, has now become a heaven of gods and goddesses all enjoying the

passionate music, the sensual movements, and the delicious connection that Zouk offers. This is a friendly book that people will enjoy reading even if you are not a dancer. Those already familiar with Zouk as well as those just learning will find value in this photograph filled book. Marie's passion is evident and her voice can be heard as you read. It's as if you are in the studio with an expert teacher, conveying her knowledge with deep devotion and expressiveness. Her voice shines through, inspiring the reader, making you want to learn more or start taking a class.
